Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Monday 04 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wintry showers in the east, west dry.

This Evening and Tonight:
Western areas will stay dry with clear spells and frost, locally severe over snow cover across the mainland. More cloud in the east bringing a few showers, wintry across Strathspey and Easter Ross. Icy stretches. Minimum temperature -5 deg C (23 deg F).

Tuesday:
Central and western areas will stay dry with sunny spells. More cloud in the east bringing a few light showers, falling as snow inland. Cold with a risk of ice. Maximum temperature 3 deg C (37 deg F).

Outlook for Wednesday to Friday:
Dry and cold on Wednesday with some brightness, rain in the far northwest later. Rain, sleet and snow spreading southeast on Thursday morning, drier afternoon. Dry on Friday.
